THE ORANGE COUNTY MUSTANG CLUB

In 1987, a group of individuals who appreciated the beauty and performance of the Ford Mustang, joined together to form the Orange County Mustang Club. Their purpose was to promote the restoration, preservation and enjoyment of the Ford Mustang. To perpetuate this goal, members pay yearly dues, meet monthly, promote car shows, hold social activities, take cruises and attend parades and other activities to foster their love for the Ford Mustang. Any person who owns or appreciates the Ford Mustang, no matter what model or year, is welcome to join. Ownership is not obligatory, but enthusiasm is.

A MESSAGE FROM YOUR PRESIDENT

Kudos to your OCMC board! Seven months of cruises, meetings, events... each board member handles their own board duties and helps everywhere else they're needed. We are so fortunate. You don't have to be on the board to help. We're lucky to have Barb and Lloyd DeLong to help with the Chat and Chew, Shawnn Palmer and John are always eager to help anytime, Jeannie Weiss bakes for us while Scott Rattray and Jeff Weiss have been super helpful getting speaker suggestions. What can you do to help? C'mon, step up. We need you!!!

Congratulations to all the Arrowhead Poker Cruise winners. They split \$950 cash. Keith Johnson had the best hand and won \$133. Thank you, Bob Hammond, for taking a test drive up to Arrowhead and discovering the road construction detour. The alternate route, the weather and the food were perfect.

We are doing it again... Ortega Highway. This time we're starting in Brea. One relaxing stop at Tom's Farm then cruising to Hadley Farm for delicious barbecue. Don't miss this cruise on August 20th.

We're looking forward to teaming up with the Marine Riders of American Legion 295 for the 9/11 1st Responder Car Show. The Cypress Fire and Police Departments will be honored. This is a charity show with donations and funds donated to the Fireman's Foundation. Willy's Auto Repair and the Marine Riders will sponsor a barbecue. We'll have music, games, trophies, treats, sweets, and a full bar. Mark your calendar for 9/11.

Thank you for your continued support.

MONTHLY OCMC CHAT and CHEW

By Barb DeLong

Chat and Chew July 20, 2022

We had another great turnout for July's Chat and Chew breakfast at Mimi's. Jeff Weiss presented Rich and Randi Miller with a beautiful Jeff Weiss original painting to thank them for their kind gift basket. Join us next time, Wed. Aug. 17th. Our president Teri Sulser will host this one as Lloyd and I will be on our long-awaited and much rescheduled Hawaii vacation.

*The monthly "Chat and Chew" brunches are held the 3rd Wednesday of each month at **Mimi's Bistro, 17231 17th St, Tustin, Off the 55 Costa Mesa Fwy.** The gathering starts at 9:00AM until about 10:30AM. This will offer us a chance to visit and catch up, since our monthly meetings are so very busy. Great reason for retirees and folks who don't work during the day to get together and gab! (Price for meals run about \$10, not including drinks)*

Join us next time! We always have a great time catching up!

For Sale

This is my 2004 6-cylinder with Running Horse Pony Package. It has high (highway) mileage. I detail airplanes and cars for a living, so I kept it in a really good shape. I always kept it clean and changed the oil every other month.

It has a White Convertible Top with White Leather Seats. Everything works. Windows tinted. No dents. No accidents. New Front Struts, New Coil Pack Spark Plug Wires and Spark Plugs. Engine is very clean. Tires and Rims are in great shape. The car was polished with four coats of Meguiar's Polish.

I purchased a 2013 GT and looking forward to cruising with you.

Cindy Stokes brought her brand new car on the Arrowhead Poker Run. Here's her story:

I ordered the car in April and it arrived to the dealership on Thursday evening. I picked it up on Friday and drove to Lake Arrowhead on its maiden voyage. It's a 2022 GT premium package. I absolutely love this car. It drives and handles awesome. It's such an upgrade from my 2006 GT. Can't wait to drive more.

THE FIRST MUSTANG SOLD

April 15, 1964, two days before the official Ford Mustang on-sale date, one mistakenly left the dealership. The lucky new owner, the first person to buy a Mustang, was Gail Wise, a 22 year old school teacher from Chicago. Her parents lent her the money after she landed her new job but had no way to get to and from the school she was to teach at. Cash in hand, she headed to a local dealership in search of a convertible. When she expressed her desires, she was disheartened to learn no drop tops were in stock. Perhaps seeing her dismay, the salesman told her he had a special surprise and led her to a backroom. Not sketchy at all...

Much to her relief she found a baby blue Ford Mustang convertible. The car had yet to be released to the public, and the salesman knew the sale shouldn't occur... yet. But what's a couple days? Gail offered to pay full price for the car, \$3,447.50, without even taking it for a test drive. No salesman can say no to that.

She left to many stares and smiles, as many had never seen the car in concept form or otherwise. It should be mentioned, this was not the first Mustang built, just the first one publicly sold. After the 'Stang sat for more than 20 years, the car received a full restoration in the early 2000s. Gail, now 80 years old, owns the car to this day.
